

How to Write a Linguistically Appropriate IEP

Sponsored by West End SELPA

This workshop will offer a brief introduction to the ELD Standards and how to navigate them. Participants will learn how to interpret the ELPAC score sheet. Participants will then be guided on how to connect the ELD Standards and ELPAC Score Report to the IEP of the English Learner.

The last part of the training will be spent delving into the development of a linguistically appropriate IEP, including creating linguistically appropriate goals.
