

West End SELPA Presents...

Autism 101 for New Teachers

How do you identify children with Autism Spectrum Disorder (ASD)?

Participants in this training will learn about the characteristics of ASD, including the impact they have on a child's educational, social and behavioral performance and they will also learn evidence-based practices for successfully supporting individuals with ASD that enhance their ability to be successful in the school setting.

Presented by Garth Armit, WESELPA Program Specialist
and Sabrina Ramirez, WESELPA Behavior Specialist/School Psychologist
